

Sumo Experience Safety – Theatrical use

Sumo Experience fat-suits have been designed for fun wrestling events but when hired for theatrical purposes must not be used for wrestling

Sumo Experience is covered by £5,000,000 public liability insurance but only for sumo wrestling parties. Theatrical use is not covered and the hire will need to arrange for their own public liability or employee insurance cover.

For Theatrical hire the following safety advice should be followed:

- Helmets and neck braces will be supplied and it recommended that these are used when possible.
- When helmets and neck braces are not used, care of the head, neck and face need to be taken, particularly when rolling or when falling backwards.
- Particular care should be taken when in the vicinity of walls, columns, steps, ledges, concrete or tarmacadam floors.
- The suits should not be used in conjunction with sharp objects
- Those under the influence of alcohol or drugs should not use the suits.
